T4 L

The L-version (Large) can handle a power capacity of 15 watt, with which it develops a full and rich sound that sounds fuller than what you would expect from a small system. This speaker connects perfectly to your MP3 player or other i-Pods®, but is also attractive enough to place on your desk next to your computer where it takes up very little space. Charging is not necessary thanks to the mains current connection.

model	**L**
compatible with:	MP3 players, PDAs, iPod, PC ...
power source	adapter (incl)
battery life	-
freq response	150Hz-20KHz
class D amplifier	yes
